

BECOME A NAVIGATOR AND HELP SUSTAIN THE LIGHTSHIP OVERFALLS

The Overfalls Foundation has a planned giving program to generate the funds necessary to sustain the ship that together we saved. Participants in the program will be designated *Navigators* and their generosity will be recognized.

Dirty Hands Gang giving the Overfalls a new coat of paint.

Writing a check is not the only way to help. Remember the Overfalls in your will or other planned gift! There are many other financial vehicles including:

A bequest in your will

Gifts of stocks or other assets

A beneficiary designation on a life insurance policy, a 401k plan or an IRA

Life Income Gift

Charitable Lead Trust

Pay nothing during your lifetime. Planned gifts can offer many advantages to help you meet your overall financial goals. For advice, contact your attorney and/or tax advisor.

The Overfalls Foundation has completed the nearly impossible task of turning a rust bucket in a muddy hole into a beautifully preserved ship in a setting worthy of the vessel and the crews who served aboard.

Now an endowment fund is necessary to sustain her. Your gift, which costs you nothing during your lifetime, will give you the comfort of knowing that you have done your part to preserve this treasure for future generations.

Remembering the Overfalls in your will or other planned gift will establish a legacy to sustain the ship that is so close to your heart.
